Math Proficiency Challenge Exam

GENEVA COLLEGE

Math proficiency is determined by SAT or ACT score. Proficiency is demonstrated by a math SAT score of 470 or above or a math ACT score of 19 or above.

Students entering Geneva College without math proficiency must successfully complete one of the following.

1. Repeat the SAT (or ACT) earning at least the minimum math score.
2. Take MAT 095 Algebra at Geneva College.
3. Transfer an algebra or calculus course from another acceptable college or university.
   (Only courses equivalent to Geneva's MAT 101 or higher are accepted for transfer credit.)
4. Pass the *Math Proficiency Challenge Exam*.

Please note: No calculators or electronic devices can be used during the test. A one-hour time limit for the test will be enforced. *Cliffs Quick Review Algebra I*, Wiley Publishers is recommended as a review guide.

The math proficiency challenge exam is offered for **new** students as follows:

- the first day of each summer preview session
- the first day of fall and spring orientation.

The math proficiency exam for **current** students is offered as follows:

- the first Monday of both the fall and spring semester.

The **non-refundable** fee for the challenge exam is $25 and is to be paid at the door on the date of the exam.
