FRESHMEN PARKING REQUEST

Freshmen Students are discouraged from having a car on campus during their first year. However, if you believe that it is in your best interest to bring a car to campus, and you wish to purchase a parking permit, carefully read and acknowledge the policies listed below.

I have read and agree to the following:

- I have completed **ALL** of the information **on both sides of this request form**. **I will bring this completed form** to Check In.
- **I agree to pay the freshmen parking fee** of $115.00 ($60.00 for commuters) to the student accounts office **when I come** for Check In.
- **I will bring my Vehicle Registration Card** to the student development office at Check In in order to get my parking permit.
- I acknowledge that:
  - A campus parking permit is a privilege that can be lost if I fail to adhere to the parking policies of Geneva College.
  - The parking fee is NON-REFUNDABLE, regardless of student status or circumstance, including revoking of my privileges due to repetitive violations.
  - An excess of three parking violations within one semester will result in the privilege of a freshman parking permit being revoked for the remaining academic year without refund of any portion of the parking fee.
  - As a ***Freshman***, I am required to park in the designated ***"Freshmen Parking Lot"*** only. The lot is located across from Reeve's Stadium.
  - A parking permit does not guarantee me a parking space. If the freshmen lot is full, I may park along the street within the guidelines of city ordinances.
  - The parking permit can be transferred from one of the "registered" vehicles listed on the reverse of this form to another registered vehicle listed on the reverse of this form only. Whichever registered vehicle listed on the reverse of this form is parked on Geneva College property must display the permit tag, or I am responsible for the ticket and potential consequences incurred.
  - I acknowledge that a lost or stolen permit must be reported prior to receiving a ticket; otherwise the registered permit holder is responsible for tickets incurred.

I will review/have reviewed the college parking regulations as outlined in the Geneva College Student Handbook distributed at orientation and hereby agree to adhere to the above Freshmen Parking Permit Specifications.
