Courses are offered in ATHENEO January 11, 2017 - March 8, 2017 (Spring A) and March 8 – May 3, 2017 (Spring B) unless indicated by highlight.

Highlighted courses are offered in Moodle January 9, 2017 – March 4, 2017 (Spring A) & March 6 – May 6, 2017 (Spring B)

ACE 150 KE1-D: Fundamentals of Accounting (3 elective credits; 8 sessions)
This course provides an overview of accounting from the perspective of a non-accounting manager. It helps to develop the tools to understand the essentials of how finance functions within an organization. This includes internal controls, the function of accounting, historical accounting data and financial planning. The course also provides an overview of how to manage a business by God's principles.

ACE 155 KE1-D: Faith and Money (3 elective credits; 8 sessions)
This class will teach the students what God says about handling money and possessions with a goal of the student learning to be financially free and spiritually free. A practical method of budgeting is included. It will also cover God’s principles of living honestly, being accountable, dealing with debt, giving, work, and eternity.

ADL 115 - Success Strategies for the Adult Learner (3 elective credits) in Moodle
This course is designed to equip adult learners with strategies for success in college and in life-long learning, emphasizing personal responsibility. With a specific focus toward success in online learning, the course covers foundational ideas about faith, learning, and a biblical worldview; Geneva’s available resources and services; goal-setting; time management and organization; writing basics; reading strategies; APA; and adult learning theories.

ADL 430 – Organizational Analysis (3 elective credits) in Moodle
Completing this course will prepare students to analyze the structure and function of an organization in light of contemporary organizational models. Participants apply theoretical knowledge about organizations to a specific organization and explore how organizations can be transformed into redemptive agents in this world and contribute to human flourishing.

BBL 135 KE1-D: Wisdom Literature (3 Biblical & Theological Studies minor or elective credits; 8 sessions)
A study of Job, Psalms, Proverbs, Ecclesiastes and the Song of Songs that emphasizes the genius of Hebrew poetry and the doctrinal depth, spiritual value and ethical implications of these books.

BBL 200 KE1-D: How to Read the Bible (3 Biblical & Theological Studies minor or elective credits; 8 sessions)
A study of the process that led to the creation of the English Bible and its authority, a survey of the principles and practice of independent Bible study, including an emphasis on the grammatical historical approach to biblical interpretation. The student will study methods of application leading to the development of theme, proposition and finally the lesson itself.

BBL 251 KE1-D: Church History I (3 Biblical & Theological Studies minor or elective credits; 8 sessions)
A study of the history of the Christian Church from its founding on the day of Pentecost to the beginning of the Reformation with special emphasis upon the people, events and doctrinal controversies that were significant in the growth of Christianity.

BBL 252 KE1-D: Church History II (3 Biblical & Theological Studies minor or elective credits; 8 sessions)
A study of the history of the Christian Church from the dawning of the Reformation to the present time with special emphasis upon the people, events and doctrinal controversies that were significant in the growth of Christianity.

BBL 303 KE1-D: Old Testament Pentateuch (3 Biblical & Theological Studies minor or elective credits; 8 sessions)
A study of the five books of Moses with emphasis upon Genesis, Exodus, the institutions of Israel and the history of the nation in its formative period. It will consider God's redemptive plan as it is expressed in His covenants with Israel. Special emphasis will be made to help the student understand the geography of the Near East.

BBL 112 KE1-D: Old Testament Survey (3 core, Biblical & Theological Studies minor or elective credits; 8 sessions)
This course introduces adult students to the history, doctrine and background features of the books of the Bible that were written prior to the incarnation of Jesus Christ. Our primary goal in this course is to help students become better readers of the Old Testament.
BIB 113 KE1-D: New Testament Survey (3 core, Biblical & Theological Studies minor or elective credits; 8 sessions)
A survey of the New Testament including events in the life of Christ, the development of the early church, the work of the followers of Christ, and the influence on organizations and people in the first century and beyond. This knowledge and understanding is extended into applications in the life and personal devotions of the learner.

BSS 217 KE1-D: Entrepreneurship (3 elective credits; 8 sessions)
This course covers the various disciplines, activities and skill sets required to be successful as an entrepreneur. It explains the physiological and analytical aspects of successful entrepreneurship as well as skill sets needed in the disciplines of management, marketing, accounting, operations and law.

CMN 407-OL1-D – New Testament Principles for Ministry (3 credits CMN minor or elective) in Moodle

ENG 101—OL1-D: English Composition (3 credits GRADUATION REQUIREMENT; 8 sessions)
This course will engage students in the production of effective academic writing. It is designed to meet the composition needs of beginning or returning college students. It will teach the rhetorical and arrangement skills that are basic to effective learning and communicating through writing in any discipline.

HSS 202–OL1-D – Human Diversity (3 credits Psychology minor, HSS core, HSS and CFS minors, or elective) in Moodle
This course surveys human diversity in terms of race, ethnicity, gender, and social class in contemporary American culture. The effects of oppression and prejudice will be explored on individuals and groups, as well as evaluating the consequences of social policy aimed at alleviating discrimination. Implications for the practice of human services will be discussed.

HUM 118 KE1-D: Classical & Christian Cultures (3 Humanities core or elective credits; 8 sessions)
Human achievement in philosophy, theology, literature, and art is examined in historical context from ancient times to the Renaissance.

HUM 119 KE1-D: Renaissance to the Present (3 Humanities core or elective credits; 8 sessions)
This is a survey course of the historical, cultural, social, economic, and religious developments in western civilization. This course will examine, through reading, writing, and discussion, the dominant ideas in western culture as expressed in the philosophy, art, literature, and music from a Christian perspective.

LDP 421 KE1-D: Case Studies in Leadership (3 elective credits; 8 sessions)
Case studies will be selected for in-depth study of the application of leadership concepts with particular reference to those concepts found in Scripture. Students will develop a written analysis of their style of leadership. Related issues are introduced through readings.

PSS 105 KE1-D: Priorities, Goals, and Attitudes (3 elective credits; 8 sessions)
The setting of goals, as well as priorities among those goals, with an emphasis upon how those goals and priorities relate to the realities and aspirations of life. The attitude of the individual including other aspects of psychological makeup and how it impacts upon the ability and willingness to set goals and priorities. An emphasis upon how goals, priorities and attitudes can lead to effective Christian personal management.

PSS 201 KE1-D: Intro to Psychology (3 social science core, Psychology minor or elective credits; 8 sessions)
Problems, principles and methods in general psychology prepare for a number of professional fields. Topics include human development, motivation, emotion, learning, personality and abnormal behavior.

SCS 105 KE1-D: Environmental Science (3 natural science CORE or elective credits; 8 sessions)
This course introduces principles of environmental science with a purposefully Christian perspective. Course topics include understanding our environment, evolution, species interactions, human populations, biomes, environmental conservation, environmental health, pollution, energy and environment policy, and sustainability. An important goal is to gain an understanding of the environment and our place in it. Underlying this course will be the concept of biological stewardship and the idea that all humans are required by God to be careful and thoughtful in our usage of Earth’s limited resources. There are many voices saying how we can best live on Earth, so it is necessary to personally evaluate and understand what God says also.

SCS 215 KE1-D: Earth Space & Science (3 natural science CORE or elective credits; 8 sessions)
This course incorporates the disciplines of geology, meteorology and astronomy into a holistic study of planet earth. A major goal of the course is to give the student an understanding of the mechanics of God’s creation.
