# WOMEN'S BASKETBALL

Coach Ron Galbreath,  
724-847-6651

## A Proud Past...An Exciting Future

This is an exciting time to be part of the Golden Tornadoes Women's Basketball program because there has been an expectation of excellence. Competing in the PAC will be challenging for our team. We will have to play excellent defense and rebound well to continue success. This will be a year of getting back to the basics. As the season progresses, if we are able to roll with the changes, we believe we can rise to meet any challenge.

Michawn Rich was our only senior in 2008-09 and had a great season. Our returning veteran seniors are Liz DePietro and Renee Rawding. Junior class contributors will be Rachel Barry, Christine Carugati and Valerie Hamilton. Returning sophomores are Beth DeLuca, Alyssa Miller, Rachel Rouan, Alyse Scarsella, Natalie Swartley and Nicole Thornhill. The team also will be welcoming eight new freshman.

Our student-athletes are surrounded by a coaching staff that is dedicated to encouraging academics, athletics and spiritual growth. The heart of our athletic program is best captured in Romans 8:37 "...in all these things we are more than conquerors in Christ."

## A Winning Heritage

Coach Ron Galbreath has over 600 victories in his college coaching career (men plus women). New to the program this fall will be Assistant Coach Erin Nietupski. Her strengths in training female athletes will be a great addition to the women's basketball team as well as other female athletes. Her responsibilities include recruiting, scouting, game planning, fundraising, media and technical support.
