# Church Matching Scholarship Program

## GENEVA COLLEGE

A growing number of churches are looking for ways to help meet the financial needs of their students. They also recognize the value of a Christian higher education. Through the Church Matching Scholarship Program, your church can assist a member of your congregation in earning a Christ-centered education at Geneva College.

- Geneva College will match your church's scholarship dollar for dollar up to a maximum of \$500 per student per academic year.
- This program may be used in addition to other scholarships as long as tuition is not exceeded.
- Applicable scholarships must be direct gifts from the church, not a Geneva College endowment.
- Employees and dependents of Geneva College are not eligible.
- The church must submit the form to Geneva College.
- The program applies to full-time, traditional undergraduate students only.

Policies and terms are subject to change. Visit [www.geneva.edu/fa](http://www.geneva.edu/fa) for the most up-to-date information.

To participate in the Church Matching Scholarship Program, please complete this form and return it to Geneva College *before the semester begins*.

If you provide scholarships to multiple students at Geneva College, duplicate this form and submit one form per student.

Geneva must receive the scholarship check before classes begin. For students attending fall and spring semesters, the check must be received before the fall semester begins.

Mail checks directly to the Geneva College Financial Aid Office so we can apply the matching funds to the student's account.
