- I will receive a weekly individualized training program that will help me reach my potential
- I will get to compete against the top colleges and universities in Western Pennsylvania, as well as the top Christian colleges and universities in the nation
- I will understand the science behind my training that will equip me to coach beyond my time at Geneva
- I will build life-long relationships with my teammates and coaches
- I will be part of a program that emphasizes the integration of faith, academics and athletics.

HISTORY Geneva, a private four-year Christian college of the liberal arts and sciences, was founded in 1848 by the Reformed Presbyterian Church of North America in Northwood, Ohio. In 1880 we were moved to our current campus in historic Beaver Falls, Pennsylvania.

LOCATION Our 55-acre campus is situated in the foothills of the Allegheny Mountains, only 35 miles from downtown Pittsburgh.

ENROLLMENT Of the nearly 1,400 undergraduate students who call Geneva home, 45 percent are male, 55 percent are female, and approximately 10 percent are ethnic minorities. We come from across the country and around the world, representing 35 states and 13 nations. Geneva also enrolls 300 graduate students and 350 undergraduate degree completion students.

ACADEMIC ENVIRONMENT Since our student-to-professor ratio is 14 to 1, you're assured of one-on-one time with professors both during and outside of class.

FAITH TRADITION While our roots are Reformed, our students come from over 60 Christian denominations.

ATHLETICS Geneva's Golden Tornadoes compete in the National Collegiate Athletic Association (NCAA Division III), the President's Athletic Conference, and the National Christian College Athletic Association (NCCAA). Geneva offers men's baseball and football; softball, tennis and volleyball; and men's and women's basketball, cross country, soccer, and indoor/outdoor track and field.

NON-TRADITIONAL PROGRAMS At over 11 sites, we offer an adult degree completion program that allows students to finish a degree in human resources management, organizational development, community ministry or human services in 15 months. The Center for Urban Theological Studies and the Center for Urban Biblical Ministry are inner-city programs that train urban church leaders in ministry leadership.

GRADUATE PROGRAMS Geneva's offers master's degrees in business, counseling, higher education, organizational leadership, special education and reading.

CAMPUS VISIT Be our guest for a campus visit where you can stay in a residence hall with a current student, attend classes and meet professors, and enjoy meals in our dining hall.
