

Freshman Meal Plan Options

GENEVA COLLEGE

Geneva College provides a complete food service program in Alexander Dining Hall, which offers an unlimited seconds policy except on selected entrees.

This program offers a variety of choices that include hot entrees, a deli bar, a grill, a wrap station, a salad bar, a bread/ cereal bar, a self-serve wok/Panini press/waffle bar, rotisserie chicken, a dessert station, and cold/hot drink options. The Brigadoon in the student center offers a selection of products ranging from ice cream to big bags of chips, to dessert snacks, to an assortment of beverages. Additionally, GT Grillers is available in the Brigadoon and features gourmet grilled sandwiches, burgers, your favorite fried foods, and premium exchange meal upgrades.

Resident Freshmen will be required to choose a LEVEL A MEAL PLAN OPTION.

Commuter Freshmen are not required to have a meal plan; however, they can purchase Flex Points in Alexander Dining Hall. Every dollar of Flex Points purchased has a bonus of an extra 10% spending power in the dining hall, Brig, Riverview Cafe or at Papa John's. The Flex Points will be logged on the student ID card and deducted as they are spent.

Exchange Meals are complete meals that you can eat in the Brig instead of Alexander Dining Hall. Each exchange is the same as one cafeteria meal and will be taken from your account at the time you take the meal in the Brig. Unless you are enrolled on a Block Meal Plan, you cannot eat a meal in the cafeteria and then go get that same meal as an exchange in the Brig or vice versa.

YOU MUST BRING YOUR ID or VALID TEMPORARY ID TO ALL MEALS!

You will not be allowed to verbally give your ID number to the door checker or cashier. Protecting your account balances is very important. If you misplace your student ID, you must contact the Food Service Office immediately so that your account can be suspended and a temporary meal pass

Level A Meal Plan Options

Plans 1, 2, and 3 of LEVEL A are all priced the same and part of your room and board cost.

- 1) **21 Meals per Week Plan** – This traditional meal plan provides you with breakfast, lunch, and dinner every day of the week for the entire semester. You have the option of eating an Exchange Meal in the Brig. However, you may not eat at Alexander Hall and the Brig during the same meal period. You may not treat guests to meals on this plan. The first meal of the week is Monday breakfast; the last meal of the week is Sunday dinner. Uneaten meals **do not** roll over to the next week.
- 2) **220 Meals Block Plan** - Block plans offer more freedom. You have 220 meals to eat over the course of the semester. You can dine in Alexander Dining Hall or take an Exchange Meal in the Brig. You can even eat at both operations during the same meal period. For example, you may eat dinner at Alexander Hall at 5 pm, and go to the Brig at 7:30 pm and get an Exchange Meal (pizza, sub, burger, etc.) to eat there or to take out to go. A real benefit is the privilege to bring up to 4 guests in on your card at any meal in the cafeteria. You may also “Exchange” up to 5 meals in one meal period at the Brig.

Important - You must budget your meal usage so you have enough for the entire semester. If you run out of meals before the semester ends, you will have to either pay cash or purchase Flex points to pay for your meals. Unused Flex Points first semester will roll over to second semester. NOTE all unused flex points from the second semester with meal plans **DO NOT** carry over to the next school year.

- 3) **180 Meals Block Plan with 150 Flex Points** – This plan provides maximum flexibility. You have 180 Block meals to eat over the course of the semester, combined with the extra buying power of 150 Flex Points. Flex Points can be used in the Brig, The Riverview Café, Papa John's, or to buy meals in the dining hall. With Flex Points you can go to the Brig any time it is open and buy any product you like without having to use an Exchange Meal.

Important - It will be critical that you budget your Flex Points and meals to cover your entire semester. If you run out, you will either have to pay cash for meals or purchase more Flex Points. Unused Flex Points first semester will roll over to second semester. NOTE all unused flex points second semester with meal plans **DO NOT** carry over to the next school year.
