GENEVA COLLEGE
Christ-centered education

PARENT/GUARDIAN RECOMMENDATION

At Geneva College, we believe that the college selection process is a two-way street. Like students and parents looking for the right college, Geneva takes great care in accepting the right applicants. We look for students who will thrive under Geneva's Christian beliefs, values and rigorous academics. This helps guarantee students' success and enables them to maximize the value of their investment in education.

As the Geneva College Admissions Office evaluates your student, our question is: Who is this person (your student), and why would we want him or her to join the Geneva community? In answering this question, we need the perspective of parents. You know these students – you know their gifts, their passion and their commitment. Please take the time to briefly answer the questions below, telling us about your student and your hopes and aspirations for him or her.

---

1. What are three or four compliments you often receive about your child? (Give examples to show how these characteristics come through.)

2. What are some of the specific ways you hope a Geneva College education will develop your student's gifts and transform his or her life?

3. Regardless of which college your child attends, what is your prayer for him or her?

Parent's name _____ Student's name _____

Home address _____ State _____ ZIP _____
