Geneva College provides a complete food service program in Alexander Dining Hall, which offers an unlimited seconds policy except on selected entrees. This program offers a variety of choices that include hot entrees, a deli bar, a grill, a wrap station, a salad bar, a bread/cereal bar, a self serve wok/sandwich press/waffle bar, a dessert station, and cold/hot drink options. In addition, a limited-choice food service program is offered on the lower level of the Student Center.

All resident students at Geneva College are required to have a meal plan. The plans include:

COST: \$3,725/Room & Board per semester

- 21 meals a week
- 220 meals block plan
- 180 meals block plan and 150 flex purchase points that can be spent in the Student Center food service area (The Brig) or at the newly created "Grab & Go"

COST: \$3575/Room & Board per semester

- 14 meals a week
- 180 meals block plan
- 140 meals block plan with 150 flex purchase points that can be spent in the Student Center food service area (The Brig) or at the newly created "Grab & Go"

Any student who is away from campus for an academic internship or student teaching requirement (more than 6 academic hours) may apply for a 7-meal plan. This level of meal plan is available for one semester only, and may only be awarded to a student enrolled in the required academic courses for the designated semester. The following semester, the meal plan assignment will automatically revert to a 21 meal plan, unless designated differently in writing and registered with the Residence Life Office.

If a resident student does not designate a choice of a meal plan in writing, a 21 meal plan option will be automatically assigned.
