

Our Value

U.S. News & World Report recognizes Geneva College as a Top 3 Best Value Regional University! We qualified for this designation because of our high academic performance compared to the net cost of attendance for a student who received the average level of need-based financial aid.

And you receive a great return on your investment!

96% of our students are working or in graduate school within 12 months of graduation.

Our Tools

Net Price Calculators

First-year and transfer student calculators identify the academic scholarships and awards for which you may qualify, as well as overall financial aid, and provide an estimate of Geneva's costs.
