Step 1: Estimate Cost and Aid for the Program

- Review the following general information:
  - Individual program costs may be found by visiting the program’s website or contacting the provider directly.
  - Geneva College tuition will be charged for all programs unless the program’s tuition is higher than Geneva College tuition. In this case, the higher amount will be charged.
  - The published tuition rates for all off-campus programs cover only the courses normally included in those programs. Registration in any additional Geneva courses during a student’s off-campus semester, including internships or independent studies, will be charged at the current part-time rate per credit, regardless of the total number of credits registered for that semester.
  - Students will be charged the actual program charge for room and board.
  - All student accounts must be paid in full.

- Complete the Program Expenses section of the chart below (with the help of Crossroads).
- Schedule an appointment with Student Financial Services (SFS@geneva.edu) to discuss how your financial aid may be adjusted. Upon completion of this form, keep the original and email a copy to Crossroads and the Student Financial Services Office.
- Students are permitted to study abroad multiple semesters and use a portion of their financial aid during Summer, Fall and Spring semesters (as long as they don’t exceed 8 total semesters of aid).

SFS Advisor Comments:
**Step 2: Apply for the Off Campus Study Grant**

Geneva College offers a limited number of grants to participants of Geneva-endorsed Off-Campus study programs, to help cover costs beyond what a student is eligible to receive under the current off-campus financial aid system. Awards are determined by a student’s academic standing, cost of the off-campus program, financial need, and merit of the personal statement. Grants are available to students for only one study abroad experience.

**Please attach personal statement describing the following:**

- What features of this program are of importance to you?
- Explain your need for extra monetary assistance to participate in this program.
- How does the program relate to your academic, professional, or personal goals?
- What strengths would you bring to this off-campus program?
- How will you incorporate your off-campus experience into your life (future courses, campus activities, career, graduate school, etc.)?

**Step 3: Please obtain the following signatures and then submit this form to Crossroads (maduguid@geneva.edu) and Student Financial Services (SFS@geneva.edu) via email.**

Completed application packets must be submitted to no later than October 15 for the spring term and March 15 for the summer and fall terms.
