

# Aviation Business

**Geneva's Aviation Business program** explores the fascinating field of aviation. Students who complete this program will receive a BS in Aviation Business Administration as well as an associate degree from the Community College of Beaver County (CCBC) with a concentration in professional piloting, air traffic control, or aerospace management.

Geneva's Aviation Business Administration program is nationally accredited and CCBC has the #1 aviation degree program in the nation.

This program equips students to be successful in their chosen career path, whether as a professional pilot, aircraft mechanic, or any number of potential careers.
