

English Literature

Geneva's English Literature program equips you to not only read widely but also to see how the story of this world and the story of scripture are intrinsically intertwined. This program will prepare you for anything in life that requires reading deeply and it will also prepare you to participate in the great story that God has planned.

We believe that Christians are called to develop their passion to teach individuals in a variety of educational settings. Distinctive to Geneva, our students develop a perspective on “teaching redemptively” in the classrooms.
