

Management

Geneva's Management program equips students to be responsible managers who model Christ's leadership in their management of organizations, people, and resources. The curriculum includes a variety of topics including operations, accounting, human resources, and other related courses. Throughout this program, students will be taught how to be effective managers from a biblical perspective and will be educated in marketable skills rooted in the qualities of biblical leadership. Students who complete this program will be exceptionally prepared for their careers and will have learned valuable managerial skills.
