

Nursing (BSN)

Geneva's Nursing program provides training presented in light of the eternal biblical truths of creation. Beginning with a perspective that recognizes God as the creator of the universe, the Geneva nursing program offers foundational education informed by the latest in contemporary research, as well as cutting-edge explorations in vital nursing topics.

Students in Geneva's BSN nursing program are engaged in the values of altruism, autonomy, dignity, integrity, and social justice, as well as nursing leadership and professional concepts. Graduates are prepared to practice nursing as a calling and commitment to lifelong learning in a variety of healthcare contexts.
