

# THE TOP 10 REASONS CANADIANS should consider GENEVA COLLEGE

**Christian Commitment**—More than just an affiliation. Faith is integrated into every class and activity.

**Bachelor's & Master's Degrees**—As a U.S. university, Geneva awards bachelor's degrees in nearly 40 majors and offers four master's degree programs.

**Exceptional Majors with Strong Outcomes**—Our ABET-accredited Engineering program has been named a Top 100 program in the U.S. two years in a row. Other popular majors include Business, Education, Biology and more.

**Respected Affiliations**—We're a founding member of the Council for Christian Colleges & Universities, academically accredited by the Middle States Association and compete athletically in the NCAA Division III.

**Easy Student Visa Process**—Once you have committed to coming to Geneva, we'll send you the required forms and walk you through the entire process.

**A Well-Rounded Education**—Learn skills valued by employers: thinking, writing and communicating well.

**Athletics**—With 15 varsity sports that include football, soccer, volleyball and more, there's plenty of excitement for both student-athletes and fans.

**OSAP Eligibility**—The Ontario Student Assistance Program is still available when you come to Geneva.

**Academic Scholarships**—You can qualify to receive \$7,500–\$15,000 per year.

**Great Location**—We're just over three hours from the Peace Bridge, and only about 40 minutes from the Grove City Premium Outlets and downtown Pittsburgh.

Step Forward. > Leap Ahead.

About

# 90%

of 2013 graduates were working or in grad school within six months.

## MEET YOUR ADMISSIONS COUNSELOR

### MEGHAN TAYLOR

I'm a Canadian, too! I'm from Dundas, ON, and went through the student visa process, and I'm available to talk to you about the experience of going to the U.S. to get your bachelor's degree.

### ACT and SAT

Although Canadian students may qualify for academic scholarships and admission to Geneva without submitting an ACT or SAT test score, you are highly encouraged to take one or both of these exams as they provide a more holistic picture of your academic strengths. If you have further questions about whether or not you should take a standardized test, please contact me.
