2. Opening prayer

Barry Davis opened in prayer.

3. Career Development

Rob Rostoni, Director of Career Development came to discuss how his department could partner with alumni more to connect with one another and to connect with current students.

Areas of Focus:

- 1. Calling & Vocation explore with students what this means through spirit-led conversations.
- 2. Professional Development knowledge of what is going on in the industry of area of study, encouraging membership in national chapter membership groups
- 3. Career Development & Services job fairs and job placement. Geneva mails an Employee Recruiting Guide to all HR alumni and there is a job/internship database called Geneva Job Link accessible by current students and alumni.

Alumni Council Support for Geneva Career Development:

Geneva alumni are this department's greatest asset as they understand the value of a Geneva education.

- 1. Alumni Council must be knowledgeable and engaged in Career Development.
- 2. Grow Student Connect program by better targeting alumni in certain disciplines to match with students, marketing the program to students and their parents that every Geneva student can be matched with an alumnus in his/her field of study and garner a 2-3 yr commitment by alumni to stick with the student they are matched with.

- 3. Promote Career Development to our networks of alumni.
- 4. Recruit alumni to help promote and participate in Career Development activities.
- 5. Tap alumni networks to recruit volunteers to provide student housing for internships
