CHRISTIAN PERSPECTIVES CONFERENCE

February 11-13, 2027 | Geneva College

"Technology and Personhood"

Join us for a thoughtful and engaging conference designed to inspire careful Christian reflection on human personhood in our rapidly changing technological age. Grapple with questions surrounding artificial intelligence, in-vitro fertilization, and social media, guided by speakers Derek Schuurman, Scott Rae, and Felicia Wu Song.

OUR SPEAKERS

Derek Schuurman, PhD
Professor and Chair of
Computer Science,
Calvin University

Scott Rae, PhD
Dean of Faculty and
Professor of Philosophy
and Christian Ethics,
Biola University

Felicia Wu Song, PhD
Cultural Sociologist
and Author
