Dear Friends:

Commencement is rapidly approaching!! I want to take this opportunity to share some important information that will help to make your graduation more enjoyable for you and your family.

The information contained in this letter is available at [https://www.geneva.edu/commencement/](https://www.geneva.edu/commencement/).

**Baccalaureate**

Baccalaureate will be held on Friday, May 10 at 7:00 p.m. in Metheny Fieldhouse. Graduates should assemble for the procession in Merriman Gym by 6:30 p.m. dressed in their cap and gown. The program is a worship service and an appropriate way to thank God for His provisions to our students and to commit them to His care for all their future endeavors. We encourage you to come for this special worship celebration.

Following Baccalaureate everyone is invited to a dessert reception in the tents located on Old Main lawn where Orams donuts, iced tea and lemonade will be served.

**Commencement**

Graduate and Adult Education Commencement will be held on Saturday, May 11 at 3:00 p.m. in Metheny Fieldhouse.

- Graduates must be in Old Main – John H. White Chapel -- by 2:00 p.m. to receive instructions. You will be seated by program. Please note that this room will not be locked during the ceremony, so we encourage you to leave all personal items with a family member.

- The 2019 commencement speaker will be Rev. Dr. Art Lindsley. Rev. Dr. Lindsley is the Vice President of Theological Initiatives at the Institute for Faith, Work and Economics, where he oversees the development of a theology that integrates faith, work and economics. Previously, he served as President and Senior Fellow at the C.S. Lewis Institute and before that he was Director of Education Ministries at the Ligonier Valley Study Center and Staff Specialist with the Coalition for Christian Outreach in Pittsburgh. Rev. Dr. Lindsley, his wife, Connie and their two sons live in Arlington, Virginia.

- The ceremony will be live streamed. Family and guests not attending the ceremony may watch the ceremony live at [https://www.geneva.edu/live](https://www.geneva.edu/live).
The graduates will be seated on chairs with backs. There will be a limited number of these chairs for general seating. Most of the audience will be seated in bleachers that are hard and do not have seat backs. Guests are welcome to bring a stadium cushion or stadium seat with a back.

Everyone is invited to a light refreshment reception immediately following the ceremony at tents on Old Main Lawn.

The campus store will be open 8:30 a.m. to 5:00 p.m. on Commencement day.

Parking and traffic flow are always a special challenge at Commencement. If your family is able to walk, please park on the street or in one of the peripheral campus parking lots. Please be courteous to our neighbors and do not block private driveways or park in the lots of the local business establishments. Traffic is always heavy for Commencement and it is advisable to give yourself an extra 20-30 minutes so that you and your family arrive on time and have adequate time to walk to campus.

Information for persons with disabilities or limited mobility:

- **Parking:** There are limited spaces available for individuals with physical disabilities and special needs. If you require wheelchair or limited mobility accessible parking, **even if you have a license plate or placard**, please complete the request enclosed for parking accommodations. The Accommodations Form will also be accessible on the Commencement webpage. Those with a Geneva Commencement parking pass displayed on their dashboard will be directed to the drop off location where staff will be present to assist you in parking and unloading.
- **Seating:** Special seating is available for those unable to climb bleachers. Limited space for wheelchairs is also available. Since space is limited, we ask that only one family member sit with this person during the ceremony. Please arrive early to secure seating accessibility. A special seating pass does not guarantee a seat for those arriving late. Remember, bleacher seating is without a backrest, so some sort of stadium seat with a back may be helpful.
- **Hearing Impaired:** If you would benefit from the service of an interpreter for Baccalaureate or Commencement, please make this request as soon as possible and no later than April 12, so that we can make proper arrangements.
- **Overall,** it is very helpful if you can inform us in advance (no later than April 12) if you have special needs so that we can provide the proper support. All special requests listed above, may be requested on the **Special Accommodations Form** which is enclosed with this letter.

If you are unable to attend Commencement, please notify the Registrar’s Office at 724-847-6556 as soon as possible. This information is critical for accurate planning.

A **professional photographer** will take a picture of each graduate. The proofs are sent to the graduate a short time after graduation; however, you are under no obligation to make a purchase. Use of a photographer has worked well as it reduces congestion around the podium and makes a better experience for all concerned. In order to be respectful to all graduates and their family and friends, no one is permitted to approach the podium to take pictures. You are welcome to take photographs from your seat.

We look forward to seeing you on Commencement weekend. If you have special needs which are not addressed in this communication, please contact Cathy Schlachter (cschlach@geneva.edu or 724-847-6605) as soon as possible so that we can be of service to you.

Sincerely,

Melinda R. Stephens
