Why choose education at Geneva?

Geneva seeks to prepare well-qualified Christian teachers for careers in both public and Christian schools. Teachers have great impact on the social, personal and intellectual development of individuals.

We believe that Christians are called to develop their passion to teach individuals in a variety of educational settings. Distinctive to Geneva, our students develop a perspective on "teaching redemptively" in the classrooms.

- Experiential classroom learning available as early as freshman year
- All 50 states offer some form of reciprocity for certification to Geneva graduates
- Tutoring and extensive field experience in local classrooms
- Overseas student teaching opportunities are available
- Geneva's Elementary Education major has a concentration in the teaching of reading that sets it apart from other colleges in the nation
