The Geneva Across America adventure is open to everyone in the Geneva community—students, faculty, staff, alumni and friends of the college. The team will ride six to six-and-a-half days a week, worshiping in local churches on Sunday. They will camp along the way, with occasional hotel accommodations or overnight stays with churches or individual hosts.

This once-in-a-lifetime journey provides:
- A truly unique Christian community experience
- Exciting adventure-based learning
- Exceptional opportunities for leadership development
- Promotion for Geneva College across the entire United States

"While the value of Christian higher education is priceless, the cost is ever rising. The need for additional scholarships to support our students is evident, and we want to be part of the solution."

Dr. Michael Loomis,
Dean of Student Development and Geneva Across America organizer
