

**"Always give
yourselves
fully to the
work of the
Lord, because
you know
that your
labor in
the Lord is
not in vain."**

1 Corinthians 15:58

CHURCH MATCHING

Scholarship Program

GENEVA COLLEGE

CHURCH MATCHING

Scholarship Program

A growing number of churches are looking for ways to help meet the financial needs of their students. They also recognize the value of a Christian higher education. Through the Church Matching Scholarship Program, church pastors and leaders can assist college-bound members of their congregation in earning an academically excellent, Christ-centered education at Geneva College.

- Geneva College will match a church's scholarship dollar for dollar, up to a maximum of \$500 per student per academic year.
- This program may be used in addition to other Geneva grants and scholarships as long as tuition is not exceeded.
- Applicable scholarships must be direct gifts from the church, not a Geneva College endowment.
- Employees and dependents of Geneva College are not eligible. Students with tuition waivers are also not eligible.
- The program applies to full-time, traditional undergraduate students only.
- The church must submit the form and check to Geneva College before the start of the fall semester.

Policies and terms are subject to change. Visit www.geneva.edu/fa for the most up-to-date information.

To participate in the Church Matching Scholarship Program, the church pastor or leader must complete and return this form and the scholarship check to Geneva College before the semester begins. Regardless of how the church divides the funds between semesters, the Geneva match will be split between Fall and Spring.

If the student is enrolled for only one semester, the maximum match is \$250 unless an exception is made by the Director of SFS. Full dollar amounts and not partial dollars/cents are requested.

If the church provides scholarships to multiple students at Geneva College, please duplicate this form and submit one form per student. Checks (made out to Geneva College) and forms can be mailed to the Geneva College Student Financial Services Office so the matching funds can be applied to the student's account.
