

The PA Fostering
Independence Tuition
Waiver (FosterEd) Program
provides tuition waivers at
postsecondary institutions
for eligible youth who are or
have been in foster care.

The PA Fostering Independence Tuition Waiver Program, created by Act 16 of 2019, seeks to remove barriers in accessing a postsecondary education for youth who are or have been in foster care. It helps eligible students complete a postsecondary degree with less debt and provides youth with a central point of contact for assistance and support.

The program is administered by the Pennsylvania Higher Education Assistance Agency (PHEAA) in conjunction with the PA Departments of Education, Human Services, and Labor & Industry.
