## Grow PA Approved Geneva Programs

PHEAA uses six-digit Classification of Instructional Programs (CIP) Codes, established by the U.S. Department of Education, to standardize and categorize academic programs. The list below includes the Geneva College CIP Codes approved for this program as of the date of publication. For the most current program information and eligibility details, please visit [pheaa.org/growpa](https://pheaa.org/growpa).

| CIP Code | CIP Title                                                     | CIP Code | CIP Title                                                    |
|----------|---------------------------------------------------------------|----------|--------------------------------------------------------------|
| 03.0104  | Environmental Science                                         | 30.0101  | Biological and Physical Sciences                             |
| 11.0101  | Computer & Information Sciences, General                      | 30.3101  | Human Computer Interaction                                   |
| 11.0103  | Information Technology                                        | 40.0501  | Chemistry, General                                           |
| 11.0204  | Computer Game Programming                                     | 40.0801  | Physics, General                                             |
| 11.1003  | Computer & Information Systems Security/Information Assurance | 42.2803  | Counseling Psychology                                        |
