

Anatomy of the Kingdom: Ears

“Tune your ears to the sound of His voice”
“The ears can’t hear what the heart hasn’t heard first”

Word

Read the following verses together:

- **Mark 7:31-37, Isaiah 55:3, Revelation 3:19-22, Psalm 66:17-20, Isaiah 65:24**
- What do these passages tell us about God’s ears?
- What do these passages tell us about our own ears?
 - We need the Lord to move us from deafness to hearing.
 - When we are made able to hear, we begin to hear His voice.
 - When we are made able to hear, we begin to hear the voices of others.

World

- Which voices does the world expect us to pay attention to?
- Which voices does the world tell us to neglect?
- What would the culture tell us is the *reason* or *point* of listening?
 - In other words: Why listen?
 - How is this different from the reasons why we listen as people who have been made to hear by YHWH?

Us

- Do you know how to listen to the voice of God? Share.
- Do you know how to listen to others? Share.
- How is God transforming your ears to hear the way He does? Share.
- How can we hold one another accountable to be people who hear His voice and the voices of others?

**Unless God opens our ears, we cannot hear His voice.
In hearing the voice of God, we hear the One who leads us into whole body Kingdom living.**
