

Friendship

God:

What sticks out in this passage? What characteristics of friendship do you see in this passage?

1 Samuel 20

World:

What is a good friend? What is a bad friend?

Us:

Do you have a best friend? **Why do you call them your best friend?** Do you have any friends that reflect portions of 1 Samuel 20? How can you be a better friend? (how can you be more like Jonathan?)

Optional Follow-up Activity: Write a letter to your best friend thanking them for what they mean to you.
