Hospitality

Word:

Acts 16:16-40

What sticks out to you?

What does the jailer do when he encounters the gospel?

World:

How does our culture (including Geneva) define hospitality?

Us:

How have you experienced receiving hospitality in the past? Can you provide hospitality this coming week in your day to day? If so, how? If not, why not?

Optional Activity:

In your day-to-day life, take note of where you see hospitality done well and where it can be improved.
