Senior Class Gift Surpasses Fundraising Goal

The Class of 2021 experienced a challenging year due the pandemic. However, that didn't slow them down from raising funds for their soon to be alma mater and causes on campus that they care about – The Old Main Accessibility Fund. Gifts from the Class of 2021 will help support an upcoming Old Main renovation project that will include making Old Main fully accessible to people with disabilities.

The Class of 2021 raised \$2,293 surpassing their goal of \$2,000.

Once the renovation begins, a plaque will be placed in Old Main in honor of the Class of 2021 to acknowledge their contribution.

The Senior Class Gift and Event Committee spearheaded fundraising efforts and planned celebratory events for seniors throughout the academic year. The events consisted of 100 Days 'Til Graduation, fall and spring Senior Leadership Breakfasts, and Senior Send-Off. The committee members are JC Schindel (co-chair), Lexi Dingeldein (co-chair), Shanna Brown, Marissa De Ruiter, Drake Greenstein, Justin Harbison, Nate Heidengren, April Mann, and Dylan Van Sky.

Way to go Class of 2021!
