

## **Withdrawal Deadline Extended**

*A timely message from Geneva College Registrar Bill Starke, MDiv*

Since we have switched to online learning for the rest of the semester, the college is expanding the withdrawal deadline until **April 15** for **ALL traditional undergraduate** students for one course.

As with any drop/withdrawal, your student should always consider the financial aid ramifications, so please advise your student to consult with Student Financial Services and their advisor before withdrawing from a course to make sure they do not go below full-time requirement of 12 credit hours. With a Withdrawal the student's transcript will list some form of a W grade: WF, WP, or WX.

Let's recap:

Withdrawal date for one class, TUG only: **April 15 by 4:30 p.m.**

Form to use: **ADD/DROP**

Form location: **myGeneva, Registrar Button**

Grading Scale: **WF, WP, or WX**
