

Special Note for Parents of Graduates

SHHH...it's a Surprise

Please look for a special package to be delivered to your graduates' home address sometime this week. This package should be opened on May 9 so that we can celebrate the day together even though we are not face to face.

Although we continue to have hopes of celebrating in person, we want May 9, 2020 to be a special day for your son or daughter. As Beaver County is still designated in the "red" or "closed" zone, we are unable to announce details about a rescheduled commencement event at this time. We pray that we will have the opportunity to announce future plans regarding commencement in the weeks ahead.
