

From: Slingshot  
To: Geneva Existing TUG Students

Earlier this spring, Geneva welcomed a new course materials partner, Slingshot. Slingshot will move into the campus store later this summer and launch its premier course material subscription service to all new Geneva students starting in the Fall 2022 term. This service delivers all required course materials directly to your residence hall (or to the campus store for off-campus students) before classes start.

- » Course material charges are seamlessly integrated with student account billing and financial aid
- » Risk-free | All materials are returnable within the first 7 days for any reason
- » Any changes in your schedule or course load will automatically be accommodated

Continuing students (like you) can opt-in to Slingshot to receive your books automatically for this fall. Simply log in to your Slingshot Account and make a course material preference selection (Buy New, Buy Used, Rent, or Digital) to opt in to the Slingshot program. No need to place an order! Any student can opt in or opt out at any time or return any unneeded books at the beginning of the semester.

Here's how to access your Slingshot Account:

1. Visit [geneva.slingshotedu.com](https://geneva.slingshotedu.com)
2. Click the **Log In button** in the top right corner of the home screen.
3. Use your **Geneva College credentials** to sign in to your Slingshot Account.
4. View or make your course material preference selection under the "My Account" tab.

Returning/existing students need to opt in to the Slingshot course material subscription to participate in the program. If you choose to opt out of the Slingshot program, you can still buy books from the Geneva College Campus Store. [Click here](#) to place an online order or visit the Geneva College Campus Store to place an order at the counter beginning May 18. (Ordering online or in person is only necessary if you choose to opt out of Slingshot.) Questions?
