Change in Student Marital Status Form

When the FAFSA is completed, students are required to list their marital status as of the day the FAFSA is filed. If your marital status was "single" on that day you filed your FAFSA and you have since married, we may be able to update your FAFSA information for the current school year. Updating your marital status may result in a change in dependency status from dependent to independent for financial aid purposes. **(Please note: To avoid delays in processing, it is best to let us make the changes, rather than returning to make them at <https://fafsa.ed.gov> yourself.)**

To request consideration for a change in marital status on your FAFSA, the following documents must be received by the Student Financial Services Office by August 31, 2019.

- . Copy of your (student's) 2017 Federal Tax Return Transcript and 2017 W-2 forms *
- . Copy of spouse's 2017 Federal Tax Return Transcript and 2017 W-2 forms*
- . Completed and **SIGNED** Independent Verification Worksheet
- . Copy of your **Marriage Certificate**
- . This completed and **SIGNED** form

*You may request a tax return transcript from the IRS by calling (800) 829.1040 or by completing IRS Form 4506T- EZ found at www.irs.gov
